Hi, We're 1A!
 Our class motto is —
 "1A never gives up,
 1A full of LOVE!"

School Picnic

Our favourite event was the Music Contest, we practiced hard for it. We enjoyed performing! Students from our class also engaged in a Dodgeball Tournament and we almost won the competition! We also had a wonderful time with each other in the school picnic, Cultural Day and OLE days.

We have learnt a lot from different activities, for example, at the F.1 Day camp, we worked together in groups and overcame many challenges. Therefore, we have learnt about teamwork and supporting each other!

GIRL POWER

1 B

Su Hoi Yan, Susuan

In the blink of an eye, I have changed from a "big sister" in P.6 to a "young student" of LKL. At the beginning, I didn't have many friends and dared not to talk. But now, I have many friends to talk about everything. This year, I have many happy experiences but one thing is the most profound to me - The F.1 Orientation Camp. I only vaguely remember that day but we were very happy and met many new friends, and it was on that day, I met my bosom friend. Before entering secondary school, I always wondered, "What is a secondary school?" Now, at LKL, I have found my answer. I am more grown up by meeting new people making new friends and learning new things. Time flies. I am going to be a F.2 student in a month but will not forget my first year in LKL.

咁快就一年啦!

My secondary one life has been a journey filled with challenges, hard word and many memorable moments. What I remember most was the Music Contest, which added fun to the bland studey life. This is a huge annual event at LKL. Before the contest, our class practiced hard to give a successful performance. There were a few disputes but everyone resolved them eventually. At the end, our class won the third place! We were all very happy, not only due to the award, but simply because we had tried our best to give the best performance and also learnt the importance of teamwork!

感恩

教室裏，同學們談笑風生的聲音縈繞在我的耳旁，朝暉的明媚帶著朝氣蓬勃的氣息照射在一個個青春的身影上，帶有水手領的淺藍色校服在眼前晃遊，這一晃，一下子把我的思緒拉進了腦海深處的「回憶廊」，一幕幕青春燦爛的畫面帶著微笑從「回憶廊」中走了出來，浮現在我的眼前。被無情的烈日曬得暑氣熏蒸的操場上，一個個紮著整齊高馬尾的學生在操場上繞著圈奔跑，馬尾把跑步時急速的喘氣聲作為音調，把步伐不一的落步聲作為旋律，在這熱血的奔跑中時而飛揚，時而落下，為這烈日炎炎的時份增添活潑的氣象。在歇息的間隙，有時我們會在寒暄中發出陣陣笑聲，有時又會在談話時因意見不合而發出爭吵聲。帶有紅藍黃綠四社色彩的運動服此刻與陽光的互相配合下，使我們的笑容顯得分外純真。隨著中午那清脆嘹亮的鐘聲響起，原本充斥著琅琅讀書聲的校園一下子沸騰了起來。大家都份外珍視這五十分鐘的自由活動時間。在操場上能看見同學們揮灑著汗水拼著勁地玩著各種球類活動，汗水在髮絲上緩緩落下，玩得汗流浹背；在食堂裡能看見同學們把雪糕不小心蹭在臉上，想擦掉但又不能準確擦掉的滑稽模樣；在圖書館裡能看見同學們沈醉於書海之中的模樣，彷彿能看透書中的所有哲理；在音樂室外總是能聽見那餘音繞梁般動聽的歌聲，動聽得連音符都在翩翩起舞。直至「噹噹噹」，校園裏像是被按下了靜音鍵，一切都凝固於空氣中，慢慢從沸騰變回了寧靜。我站在夕陽下，回頭看見學校早已披上了晚霞的彩衣，本來潔白的雲朵，也被打翻的顏料染成緋紅色，餘暉把這一段段青春的回憶照得熠熠生輝。一陣晚風吹過我的面頰，在我耳邊輕輕告訴我這便是青春。

We Love. We Learn. We are 1C.

In this school year, we have learned proactively and worked conscientiously in the academic aspect. We also achieved the excellent results that we strived for. All the goals we had set help us learn and improve a lot. Besides our good academic results, we have also learnt how to get along well with each other. Be patient, be diligent, be gentle. Hope we will all become perfect ladies with admirable qualities.

We are glad to join the Dunhuang treasures by
introducing "The Hong Kong Jockey Club Series:

exhibition on our picnic day in November 2022.
The exhibition showcases artefacts, mural
paintings, reproduction of paintings in silk and a

worldly and heavenly aspirations of ancient

and the beauty in the Buddhist realm of

2A ☺

Hello, we are from class 2A of the year 2022-23! Our class mottos are simple: "Go big or go home!" and "It is what it is!". As a class, we always complete the tasks with confidence. However, there are some moments in which we feel like "Oh, this is not going to work...". Even in this situation, we still don't give up and that is when we think of "It is what it is!".

This year, our most memorable time was the Music Contest. We won the championship in the junior form. The Music Contest really helped us understand each other since our classes got mixed with bright, smart, and confident students, and we as a class learned much from each other.

LOVE

In 2B, we are like blooming flowers blossoming in different talents. We are like flowers thriving under the careful cultivation of our teachers.

2B is a lovely class! All students and teachers are so nice. 2B is like a family!

We are diligent, perseverant and full of love.

2C's Memories

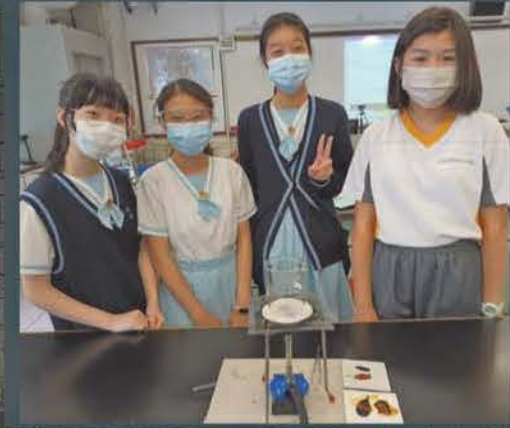

Awesome! Wonderful! Amazing! Joyous! We can't describe our feelings at the moment. After three years of life with masks, our social life has been interrupted and a high wall has also been established between one another. There is no doubt that it has brought pain to everyone.

Smile! Smile is the true love from the bottom of our hearts. Disaster was resolved by our true love. We have overcome a lot of obstacles this year. Let's enjoy our school life without further delay. We are proud of LKL and 2C! There are helpful teachers, nice and kind schoolmates. They make us become more mature and positive. We love 2C and are proud of being LKL's girls.

Feeling towards LKL after the class resumption
(from Cross-boundary students)
Finally we can go back to school and attend face-to-face classes in the second term, which is different from our online learning. We can directly communicate with teachers and classmates, which is more interactive. We go to the school library with our classmates during recess, so that we can study and make progress together. Besides, we chat with our classmates and play badminton together. The school life is fulfilled by these fascinating and interesting activities.

Picnic Day:

Visit Hong Kong History Museum

Music Contest:

We have continuously practiced for 3 months and the hard work was not in vain. In the end, we were 1 point away from the 3rd place!

Cultural Day:

We played 'Who's the Spy' and 'Party Guess'. Everyone was eager to take part in the activities. We also completed team building game which could help us understand each other more.

Visit Miu Fat Buddhist Monastery:

We saw many strange-looking plants, counted the amount of dharmachakras of the monastery during BSS lesson. We also visited the Hall of Mental Cultivation. From this activity, we were able to learn more about the Monastery and Buddhism.

3B in Tai Kwun

DON'T FORGET

This is the final year of our junior secondary school life. This year has been a challenging year for us because of the subject selection. However, we are glad that we are in the same class. We can relax with each other amid the busy and compacted school life, and support each other when we are facing difficulties. It has been a grateful year for 3B and it will be kept as a great memory in our hearts.

This year has been eventful, to say the least.

Riding on the back of the global pandemic, and entering arguably one of the most difficult years in our secondary school journey, this year has been full of conflicts, hardships and struggles. However, in spite of all the adversities, class 3C has been able to have a year full of happiness, friendship and joy.

Not only that, we also acquired some impressive achievements. Our class showed our artistic prowess by winning the Form 3 50th Anniversary Logo Design Competition. We also displayed our teamwork skills by winning the 1st Runner-up during Inter-class 4X100 Relay in the Annual Athletic Meet.

Once again, this year was full of struggles but also joyous occasions and we're thankful to have overcome those hurdles, and experienced this eventful and wonderful year together.

WORD FROM CLASS

Words from Class Teachers:

Mr Wong, 'Life is not just copy and paste.'

Others' paths may not suit you. You should try your best to find your own way.

Ms Cheng, 'Your hard work and dedication are admirable. Keep pushing forward, and you know that you have my blessings. Glad to see you all persevere in this challenging year of F.3'

OUR FIRST ANNUAL ATHLETIC MEET

Our First Annual Athletic Meet:

It was our first time to enjoy the Athletic Meet. We were so fortunate

We could sit according to our Houses which made us unprecedentedly united.

We cheered for our Houses and class 3D from the spectator stand.

All the track and field events were exciting, but the

highlight of all was the inter-house cheering team performances.

that it was scheduled after the school resumption.

JUST THE SEVEN OF US IN 3D'S

Just the Seven of Us in 3D's Homeroom:

Due to the COVID-19 pandemic, our cross-border students in 3D could only attend lessons and most school activities through zoom.

Despite the fact that our class could not perform in the Music Contest together, we had a stronger bond of friendship and connected our hearts all the time.

THE VERY MOMENT OF SCHOOL RESUMPTION

The Very Moment of School Resumption:

At first, we were worried about fitting in and getting used to the school environment. But, with great resilience and perseverance, we ended

up not just surviving but really thriving. Hope

we can take our favourite electives in F.4. Keep fighting, keep going!

LONG 4A BRIGHT SCHOOL LIFE!

This is the first year we have had a "complete" academic year, with no school suspension or cancellation of activities. We participated in Music Contest at the beginning of the school year. It was such a good time. Our class helped each other.

The most profound thing is that our class achieved the 2nd runner-up in the Music Contest

and the 1st runner-up in the class relay on Sports Day.

We are proud to be in 4A. We have worked together and understood the importance of teamwork and perseverance. It is indeed a memorable and inspiring year.

Class Motto:

Make your mark

Move on up!

class 4B has the spark!

Picnic:

It was the first time we went to a picnic together as a class. We chose Cheung Chau through voting. It was an enjoyable experience and it brought the whole class closer which enhanced our friendship.

Cultural Day:

On Cultural Day, we learnt a lot about other cultures since there are a number of non-Chinese students (NCS) in our class. It was also a dress casual day. Most of the students in the school wore traditional attire which was a fantastic sight to see.

Athletic Meet:
 Our class got the third in the inter-class relay race. It was a very fun day as we got to relax through sports. The relay enhanced our teamwork as a class and strengthen our friendship.

50th Anniversary Gala:
 We were all very overjoyed to participate in the school's 50th Anniversary Gala, it feels like a great honour. The school gala had a lot of amazing performances. Some of the students from 4B were very versatile. They took part in various activities such as The Trashion Show and the Chinese Orchestra. The MCs of the gala and the lyricist (the rap) of the theme song "Together" were also from our class!

CLASS 4C

2022-2023

UNITY IS STRENGTH

THIS YEAR, WE JOINED LOTS OF ACTIVITIES. ALTHOUGH WE HAVEN'T WON ANY PRIZE, WE ALL ENJOYED THE PROCESS AND LEARNT A LOT FROM DIFFERENT EXPERIENCES WORKING TOGETHER. ALWAYS EQUIP YOURSELF IN ORDER TO FACE THE CHALLENGES IN THE FUTURE!

In the coming year, we will definitely become better and stronger to prepare ourselves for the challenges.

2022 and 2023 have been very eventful for all of us since the pandemic has been getting better over these two years. We were actually able to enjoy some amazing school lives together!

For this year's school picnic, we went to the Peak. This was our first ever class activity! Although it was a rainy day, the time was still well-spent, and the rain give a mysterious feeling to the mountain too. We had so much fun.

4D is the BEST

The Music Contest is always fun and cheerful, everyone was shining on the stage and the overall atmosphere was lively. We worked together to plan out our show and eventually won the championship for the inter class choral competition.

As we all know, we haven't had our annual Athletic Meet for 2 years. This year, we can finally stretch our old bones and engage in our sports day :D Our classmates also won the inter class 4x100m relay. Congrats!

 for excellence

5A

Stepping into Form 5, we began to face the pressure as there were more quizzes and homework. Yet, we had a lot of unforgettable memories, such as Music Contest, Cultural Day and School Picnic. We practised hard for Music Contest, learned about different cultures on Cultural Day and had fun in our form trip to Cheung Chau. Apart from participating in the school events, the class activities have enhanced our class spirit and deepened our friendships. What a fruitful year!

Here we are
SB!
2021-2024

*"Stay inspired.
Never stop creating."*

WHAT CAN WE SAY ABOUT SCHOOL?
WE LAUGHED AT THE VERY DISCUSSION OF
BOYS ON PICNIC DAY.
WE DANCED WITH ACHING BONES TILL THE END...
THE END OF THE MUSIC CONTEST.
WE WERE STRESSED AT THE THOUGHT OF ALL
OUR EXAMS.

In these two years, we were
not alone in the greatest and
most important adventure of
our lives – discovering who we
really are.

I love our class!

A little note to future us: Be who you are and
say what you feel, because those who mind
don't matter and those who matter don't mind.

From strangers to friends we've come,
Our journey shared, our bond begun.
Through all the trials, big and small,
We've stood together, through it all.

We've argued, yet, also laughed,
And helped each other when things got tough.
Hand in hand, we've completed tasks,
And grown closer with each new task.

Our experiences have made us stronger,
Our love for each other, immeasurable longer.
Our ship, our friendship, will never sink.
With perseverance, we'll overcome any brink.

Memories were made, future to embrace.
We cherish the moments and pray for our fate.
It's the end of a chapter.
Also the beginning of another.
The best is yet to come.
We'll never forget where we started.

Stay strong

CLOSER TO HAPPINESS
THAN I'VE EVER BEEN

5D

This is the second year that we gather here. We gather here not just for DSE, but also to encourage each other in this long journey. From the very beginning, we came together to help each other on every task, such as musicals like music contests or sports like the annual athletic meet. 5D shines individually on their greatness. At the end of the school year, we're very grateful to have each other and we stick together no matter how hard it gets.

6A

Time flies and soon we're graduating. 6A has always been like a big family, we care for each other and support one another. We have gone through a lot together within these 3 years, we fought for our exams and tried our best to achieve our goals. This year, it's finally our turn to take the DSE exams, and of course, we made every effort to get a good grade.

Throughout the years, we participated in quite a lot of activities. We practiced hard for each year's Music Contest. We don't always share the same opinion, but we can always work things out when we're together. Together we have created a bunch of memories that we'll never forget.

EVERYONE IS GETTING BUSIER AND BUSIER, WE'LL SOON BE ON DIFFERENT PATHS. HOWEVER, I BELIEVE NO MATTER WHAT LIES AHEAD, WE ALWAYS HAVE EACH OTHER'S BACKS.

Motto:
Keep Going

Feelings of the year:

We need to have good preparation for DSE, so we work very hard and sometimes we feel very tired. Yet, we have gained a lot this school year, like memories, knowledge and fun.

Also, we have learned to be modest because our schoolmates are hard-working and clever.

Therefore, we must work even harder to keep up with them.

KEEP GOING

Class Activities during Festival of Accomplishment

We knew more about our classmates and teachers from the Kahoot questions set by ourselves. Also, our team spirit increased in the song guessing game. During the activities, we had a lot of fun and our bonding was strengthened.

Music Contest

Although we were very busy, we still practised our show after school every day. In this music contest, we made a lot of effort. We did not get any prizes in the end, but we have learnt to cooperate and communicate with each other, and our social skills have improved. Furthermore, teamwork is the key to win this competition, we have learnt it too.

6C in Music Contest

2023 is a challenging year for us. We have to prepare for the DSE. No matter what the results are, as long as we have tried our best, we will have no regrets.

Our class teachers forever:
Miss Chan and Miss Lee!

2022 school picnic

After the class suspension, we felt grateful to be back to school to have face-to-face lessons. Fortunately, we could enjoy our last Music Contest with our schoolmates in the school hall. We practiced hard and performed well on the stage. Although we didn't win any prizes, we loved the vibes and we all enjoyed the shows a lot. After the Music Contest, we started to study hard for the HKDSE and soon the last school day came. We were reluctant to leave. Thanks to all the teachers for the guidance! We will come back very soon.

thank you Miss Ko for
your little star~

6D'S highlight

2022-2023 has been an arduous road with DSE looming over us. Our year was fraught with the tough obstacles of DSE stress, quarter life crisis, burn-out, taking the stairs to the fifth floor, facial acne, and so much more.

Yet between stacks and stacks of past papers, we have found ourselves enjoying the journey together through different activities like picnic, ball games in PE, or even the mundane moments of lunch break.

While what the future holds is nothing short of daunting, we'll keep at it like the distinguished woman Dori once put it, "Just keep swimming."

We've all grown and changed in these few months, but one thing that will stay with us is 'stay hungry, stay foolish'. We should never stop learning and we should always try new things.
