

AFS Exchange Student Programme - 4E Miwa Sato (吳焯嵐) from Japan

Hi! I am Miwa Sato from 4E. I am an exchange student from Japan. I came to Hong Kong in August 2014 and I will go back in June 2015. I lived with my host family. I have three sisters and a younger brother here. I study English, Maths, Chemistry, Physics, and Music in this school. It is fun for me to study Physics.

I live in Kyoto in Japan. Kyoto was the old capital of Japan. There are a lot of temples, shrines, and many other traditional things. I am a high school student in Japan and I have many subjects like Japanese, Social study, World history, Biology and Computer. I am a member of the school Tea Ceremony Club.
