

An Unforgettable Memory

4E EMMA LEONILLE STEIN VON KAMIENSKI
AFS Exchange Student from Germany

My name is Emma Stein, I am 17 years old and exchange student in Madam Lau Kam Lung Secondary School of MFBM. Actually I live with my Mother, Father and my younger brother in Frankfurt, a city in Germany. In Frankfurt I visit the high school and when I am back I will start preparing my graduation.

Now I am exchange student in Hong Kong and I am already nine Month there. So my year is almost over. Becoming an exchange student was one of the best things I could do. I got the possibility to learn so much about life and also myself. The school and the city gave me a lot of possibilities to dive in to many parts of the culture of Hong Kong. I made close friends in my class and with other exchange students. Many of my awesome classmates wanted to show me their home and help me to adapt the environment much easier. I stay here with a Host family. They tried to adopt me as much as possible into their family. I am really happy that I found a second family at the other side of the world.

All of them gave me till now an unforgettable memory and I look forward to the coming four weeks with all these people.]
